**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

***President and Chief Executive Officer Appointment***

On October 6, 2022, Hyperfine, Inc. (the “Company”) announced that Maria Sainz, one of the Company’s current directors, was appointed by the Board of Directors of the Company (the “Board”) as President and Chief Executive Officer of the Company, effective as of October 24, 2022 (the “Appointment Date”). Ms. Sainz will also continue to serve as a director on the Board. In connection with Ms. Sainz’s appointment, R. Scott Huennekens, who has been serving as Interim President and Chief Executive Officer of the Company, will step down from that role effective as of the Appointment Date. Mr. Huennekens will continue to serve as Executive Chairperson of the Board.

Ms. Sainz, age 56, has served on the Board since the closing of the Company’s business combination in December 2021. Ms. Sainz also serves as member of the board of directors of ShockWave Medical, Inc., Avanos Medical, Inc. and Atrion Corporation, and was previously on the board of Orthofix Medical Inc., Iridex Corporation and MRI Interventions, Inc. Ms. Sainz served as the President and Chief Executive Officer of AEGEA Medical, a medical device company in the women’s health space focused on the development of technology for endometrial ablation, from May 2018 through February 2021. Prior to that, she served as the President and Chief Executive Officer of Cardiokinetix, a medical device company, from 2012 until 2017. Ms. Sainz received a Bachelor of Arts in Linguistics from the University Complutense in Madrid, Spain and a Masters in International Business from the American Graduate School of International Management. Ms. Sainz’s qualifications to serve on the Board include her leadership experience in the healthcare industry.

The selection of Ms. Sainz to perform the functions of President and Chief Executive Officer was not pursuant to any arrangement or understanding between Ms. Sainz and any other person. There are no family relationships between Ms. Sainz and any director or executive officer of the Company, and there are no transactions between Ms. Sainz and the Company that would be required to be reported under Item 404(a) of Regulation S-K.

On October 4, 2022, the Company entered into an offer letter of employment with Ms. Sainz, effective as of the Appointment Date (the “Offer Letter”). Pursuant to the terms of the Offer Letter, Ms. Sainz’s annual base salary is \$550,000. Ms. Sainz is eligible to receive an annual discretionary bonus with a target of 90% of her base salary. Ms. Sainz will receive a one-time sign-on bonus in the amount of \$125,000, which is recoverable in full by the Company in the event that Ms. Sainz voluntarily terminates her employment with the Company or is terminated for “cause” (as defined in the Hyperfine, Inc. Executive Severance Plan, as amended (the “Severance Plan”)) prior to the 12 month anniversary of the Appointment Date. The Offer Letter further provides that Ms. Sainz will receive an award of stock options to purchase 3,175,000 shares of Class A common stock of the Company as of the effective date of the stock option repricing previously approved by the Board on August 24, 2022, which is expected to be on or about October 31, 2022, with 25% of the stock options to vest on the last day of the calendar month that includes the one year anniversary of the Appointment Date, and 2.08% at the end of each month thereafter, subject to Ms. Sainz’s continued service to the Company through the applicable vesting dates. Commencing on the Appointment Date, Ms. Sainz will become a participant in the Company’s Severance Plan. The foregoing description of the Offer Letter is not complete and is qualified in its entirety by reference to the full text of the Offer Letter, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Further, in connection with Ms. Sainz’s membership on the Board, Ms. Sainz and the Company previously entered into an indemnification agreement in the form the Company has entered into with its other executive officers and directors, which form is filed as Exhibit 10.24 to the Company’s Current Report on Form 8-K, filed with the U.S. Securities and Exchange Commission on December 28, 2021.

***Amended Executive Severance Plan***

On October 3, 2022, the Board amended the Severance Plan to include the Chief Executive Officer as a participant in the Severance Plan effective October 1, 2022, but the terms of the Severance Plan did not otherwise change. Participants in the Severance Plan include the Chief Executive Officer and all employees with the title of Vice President, including Executive Vice President, Senior Vice President and Vice President.

Under the Severance Plan, if the Company terminates a participant’s employment without cause (as defined in the Severance Plan) at any time other than during the twelve (12) month period following a change in control (as such term is defined in the Severance Plan) (the “Change in Control Period”), then the participant is eligible to receive the following benefits:

---

- Severance payable in the form of salary continuation or a lump sum payment. The severance amount is equal to participant’s then-current base salary times a multiplier determined based on the participant’s title or role with us.
- The Company will pay for company contribution for continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (“COBRA”) during the severance period.

Under the Severance Plan, if the Company terminates a participant’s employment without cause or a participant resigns for good reason, during the Change in Control Period, then the participant is eligible to receive the following benefits:

- Severance payable in a single lump sum. The severance amount is equal to participant’s then-current base salary and then-current target annual bonus opportunity, times a change in control multiplier determined based on the participant’s title or role with us.
- The Company will pay for company contribution for continuation coverage under COBRA during the severance period.
- Any outstanding unvested equity awards held by the participant under any then-current outstanding equity incentive plan(s) will become fully vested as of the date the termination of such participant’s employment becomes effective.

A participant’s rights to any severance benefits under the Severance Plan are conditioned upon the participant executing and not revoking a valid separation and general release of claims agreement in a form provided by the Company.

The foregoing description of the Severance Plan is not complete and is qualified in its entirety by reference to the full text of the Severance Plan, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K.

### ***Executive Chairperson Compensation***

On October 4, 2022, the Board approved the terms of compensation to be granted to Mr. Huennekens for his service as Executive Chairperson of the Board. Mr. Huennekens will be compensated in the amount of \$10,000 per month, effective as of the Appointment Date, and continuing until his successor has been appointed or until his earlier death, resignation or removal. In addition, Mr. Huennekens will continue to be entitled to an annual cash retainer fee of \$50,000, an annual equity grant and the reimbursement of expenses for his service as a non-employee director in accordance with the Company’s Nonemployee Director Compensation Policy.

### **Item 7.01. Regulation FD Disclosure.**

On October 6, 2022, the Company issued a press release announcing the appointment of Ms. Sainz, as described in Item 5.02 above. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information in Item 7.01 of this Current Report on Form 8-K (including Exhibit 99.1) shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

You will report to the Executive Chairperson of the Hyperfine Board of Directors. Your annualized compensation in this position will consist of an annual base salary of \$550,000 paid in biweekly pay periods, less required deductions.

Beginning with the 2022 calendar year, you will be considered for an annual discretionary bonus targeted at 90% of your annual base salary, which bonus, if any, will be prorated for the 2022 calendar year based on your Start Date and the terms of the Hyperfine employee bonus plan. Beginning with respect to the annual discretionary bonus for the 2023 calendar year, at the end of each previous calendar year, the Board of Directors will establish performance goals and targets for the applicable year. Any awarded bonus shall be paid no later than March 15 of the following calendar year, and it will be a condition of your eligibility to receive any bonus that you remain employed with Hyperfine through the scheduled date of payment of such bonuses.

You will receive a one-time taxable sign on bonus of \$125,000. One half of that amount will be paid to you in the first available payroll date after your Start Date. The second half of the amount will be paid to you 6 months following your Start Date in the next available payroll date. Executive Severance Plan) prior to 12 months from your Start Date.

In addition to the outlined cash compensation, you will receive 3,175,000 stock options in Hyperfine that (i) will be subject to the approval of Hyperfine's Board of Directors, (ii) will be subject to the terms of the grant documents therefore, (iii) subject to continued service and the specific terms of your grant, will vest over a four year period with the following schedule: 25% on the last day of the calendar month that includes the one year anniversary of your Start Date, and 2.08% at the end of each month thereafter. You will also be eligible for, but not guaranteed to receive, an annual time-based equity award in March 2024.

You will be eligible for participation in the Hyperfine, Inc. Executive Severance Plan, and you will become a participant in such Executive Severance Plan commencing on your Start Date.

You will continue as a member of the Board of Directors following your Start Date. In the event your employment with the Company terminates for any reason, you will resign from the Board of Directors as of your termination date.

You will devote your best efforts and substantially all of your business time to the performance of your duties as Chief Executive Officer. Notwithstanding the foregoing, subject to the advance approval of the Board of Directors, which approval will not be unreasonably withheld, you will

---

be entitled to serve on boards of directors, professional, civic, charitable, educational, religious, public interest, public service or medical advisory boards, in each case to the extent such activities do not materially interfere, as determined by the Board of Directors in good faith, with the performance of your duties and responsibilities hereunder.

You will be based out of Hyperfine's California facility, with the expectation that you will travel regularly, as appropriate and as requested by the Executive Chair or the Board, to the Company's offices in Connecticut.

You will also be eligible to participate in medical and other benefit plans in accordance with the rules and eligibility of those plans currently in effect. Health insurance shall commence on November 1, 2022. ## HYPERFINE EXECUTIVE SEVERANCE PLAN

## PLAN DOCUMENT AND SUMMARY PLAN DESCRIPTION

Effective as of October 1, 2022

1. **Establishment of Plan.** Hyperfine Operations, Inc., Liminal Sciences, Inc., and Hyperfine, Inc. (collectively, the “Company”), hereby establishes an unfunded severance benefits plan (this “Plan”) that is intended to be a welfare benefit plan within the meaning of Section 3(1) of ERISA. This Plan is in effect for Participants who experience certain terminations of employment occurring after the Effective Date and before the termination of this Plan. This Plan supersedes any and all (i) severance plans and separation policies applying to Participants that may have been in effect before the Effective Date with respect to any termination that would, under the terms of this Plan, constitute a termination by the Company without Cause or by Participant for Good Reason, and (ii) the provisions of any agreements between any Participant and the Company that provide for severance payments and benefits.
  2. **Purpose.** The purpose of this Plan is to establish the conditions under which Participants will receive the severance payments and benefits described herein if their employment with the Company (or its successor in a Change in Control (as defined below)) terminates under the circumstances specified herein. The severance payments and benefits paid under this Plan are intended to assist employees in making a transition to new employment and are not intended to be a reward for prior service with the Company.
  3. **Definitions.** For purposes of this Plan:
    - (a) “Base Salary” shall mean, for any Participant, such Participant’s base salary as in effect immediately before a Participant’s termination of employment (or immediately prior to the effective date of a Change in Control, if greater) and exclusive of any bonuses, “adders,” any other form of premium pay, or other forms of compensation.
    - (b) “Board” shall mean the Board of Directors of the Company.
    - (c) “Cause” shall mean Participant’s: (i) willful misconduct or gross negligence in the performance of Participant’s duties; (ii) refusal to follow the lawful directions of the Company employee to whom the Participant reports; (iii) breach of a fiduciary duty owed to the Company; (iv) fraud, embezzlement or other material dishonesty with respect to the Company; (v) violation of applicable federal, state or local law or regulation governing the Company’s business; (vi) commission, conviction, plea of nolo contendere, guilty plea, or confession to a crime based upon an act of fraud, embezzlement or dishonesty or to a felony; (vii) habitual abuse of alcohol or any controlled substance or reporting to work under the influence of alcohol or any controlled substance (other than a controlled substance that Participant is properly taking under a current prescription); (viii) misappropriation (or attempted misappropriation) by Participant any material assets or business opportunities of the Company or any of its subsidiaries or affiliates; (ix) a material failure to comply with the Company’s written policies or rules, as they may be in effect from time to time during Participant’s employment, including policies and rules prohibiting discrimination or harassment; or (x) a material breach of Participant’s employment agreement or offer letter, the Non-Competition, Confidentiality and Intellectual Property Agreement or any other written agreement between the Company or one of its subsidiaries
-

and Participant, provided that Participant will have 30 days after notice from the Company to cure a failure or a breach under (ii), (ix) or (x), if curable.

(d) "Change in Control" shall mean the occurrence of any of the following events:

1. any person or group of persons (other than the Company or its affiliates) becomes the owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding voting securities (the "Outstanding Company Voting Securities") (but excluding any bona fide financing event in which securities are acquired directly from the Company); or
2. the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation (i) that results in the Outstanding Company Voting Securities immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 50% of the combined voting power of the Outstanding Company Voting Securities (or such surviving entity or, if the Company or the entity surviving such merger is then a subsidiary, the ultimate parent thereof) outstanding immediately after such merger or consolidation, or (ii) immediately following which the individuals who comprise the Board immediately prior thereto constitute at least a majority of the Board of the entity surviving such merger or consolidation or, if the Company or the entity surviving such merger is then a subsidiary, the ultimate parent thereof; or
3. the sale or disposition by the Company of all or substantially all of the Company's assets, other than (i) a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned directly or indirectly by stockholders of the Company following the completion of such transaction in substantially the same proportions as their ownership of the Company immediately prior to such sale or (ii) a sale or disposition of all or substantially all of the Company's assets immediately following which the individuals who comprise the Board immediately prior thereto constitute at least a majority of the board of directors of the entity to which such assets are sold or disposed or, if such entity is a subsidiary, the ultimate parent thereof;
4. provided that with respect to Sections (i), (ii) and (iii) above, a transaction or series of integrated transactions will not be deemed a Change in Control (A) unless the transaction qualifies as a change in control within the meaning of Section 409A of the Code, or (B) if following the conclusion of the transaction or series of integrated transactions, the holders of the Company's Class B Common Stock immediately prior to such transaction or series of transactions continue to have substantially the same proportionate voting power in an entity which owns all or substantially all of the assets of the Company immediately following such transaction or series of transactions.

- (l) "Good Reason" shall mean the occurrence of any of the following events without Participant's consent: (i) a material reduction of Participant's Base Salary as in effect immediately prior to the reduction; (ii) a material reduction in Participant's authority, duties or responsibilities, provided however, following a Change in Control, a change in job title or reporting relationship without a reduction in Participant's Base Salary will not constitute Good Reason; (iii) relocation of the offices at which Participant is required to work to a location that would increase Participant's one-way commute by more than 50 miles; provided that, within 30 days of the first occurrence of the event that Participant believes constitutes Good Reason, Participant notifies the Company in a writing of the event, the Company fails to correct the act or omission within 30 days after receiving Participant's written notice and Participant actually terminates his or her employment within 60 days after the date the Company receives Participant's notice.
- (m) "Participant" shall mean the Eligible Employees employed by the Company from time to time.
- (n) "Plan Administrator" shall have the meaning set forth in Section 14 hereof.

**4. Severance Not in Connection with a Change in Control.** If the Company terminates Participant's employment without Cause at any time other than during a Change in Control Period, subject to the provisions of Section 6 and 7, Participant shall be eligible to receive the following payments and benefits (collectively, the "Severance Package"):

- (a) Participant shall be entitled to receive an amount equal to the product of (the "Normal Severance"): (i) the Normal Multiplier, as determined under Exhibit A based on Participant's job level with the Company; and (ii) the Participant's then-current Base Salary. The Normal Severance shall be payable in the form of salary continuation in accordance with the Company's regular payroll schedule over the Severance Period, commencing on such date determined in accordance with Section 6 or as a lump sum at the Company's sole discretion. The "Severance Period" will equal the period of months equal to the product of (A) Participant's Normal Multiplier and (B) 12.
- (b) Participant shall be entitled to continue participating in the Company's health benefits for the Severance Period (the "Severance Benefits"), as follows: (i) such continued benefits shall be subject to Participant's timely election of continuation coverage under COBRA; (ii) the Company will pay the Company contribution and Participant shall be required to pay the employee contribution directly or as a reimbursement to Participant at the Company's sole discretion, (iii) Participant's right to receive further Severance Benefits shall terminate if and when Participant secures alternative health benefits from a new employer, of which Participant shall promptly notify the Company, or if and when Participant otherwise becomes ineligible for further coverage under COBRA; and (iv) the

Company shall be required to provide the Severance Benefits only to the extent that the Company continues offering an employee health benefits plan and to extent that the Company is not required to provide and pay for such post-termination coverage to other employees to avoid a violation of applicable nondiscrimination requirements.

- (c) The payments and benefits described in this Section 4 shall be in lieu of any other benefits or payments under any severance or similar plan, policy or arrangement of the Company.

**5. Severance in Connection with a Change in Control.** If during the Change in Control Period, the Company terminates Participant's employment without Cause or Participant resigns Participant's employment with Good Reason, subject to the provisions of Section 6 and 7, Participant shall be eligible to receive the following payments and benefits (collectively, the "CIC Severance Package"):

- (a) Participant shall be entitled to receive an amount equal to the product of (the "CIC Severance"): (A) the CIC Multiplier, as determined under Exhibit A based on Participant's job level with the Company; and (B) the sum of Participant's then-current Base Salary and the full amount of the Participant's then-current target annual bonus opportunity. The "CIC Severance Period" will equal the period of months equal to the product of (A) Participant's CIC Multiplier and (B) 12.
- (c) Any outstanding unvested equity awards held by Participant under the Company's then-current outstanding equity incentive plan(s) will become fully vested as of the date the termination of Participant's employment becomes effective.
- (d) The payments and benefits described in this Section 5 shall be in lieu of any other benefits or payments under any severance or similar plan, policy or arrangement of the Company, and shall be in lieu of any benefits set forth in Section 5 of this Agreement.

**6. Release.** A Participant's rights to the Severance Package or the CIC Severance Package, as applicable, is conditioned upon Participant executing and not revoking a valid separation and general release agreement in a form provided by the Company (the "Release"), and provided **such** release becomes effective and irrevocable within 60 days following termination or such shorter time period set forth therein, releasing the Company, its subsidiaries, other affiliates and shareholders from any and all liability. Any payments or benefits due for the period after

termination and before the Release becomes effective shall be paid with the first payment after the Release becomes effective. Notwithstanding any other provision herein, if the period during which Participant has discretion to execute or revoke the Release straddles two calendar years, the Company shall make payments conditioned on the Release no earlier than January 1st of the second calendar year, regardless of which year the Release becomes effective.

7. **Restrictive Covenants.** A Participant's rights to the Severance Package or the CIC Severance Package, as applicable, is conditioned on Participant's compliance with Participant's obligations under, as applicable: (a) Participant's Non-Disclosure, Non-Solicitation and Assignment Agreement; and (b) any other applicable confidentiality, invention, work product, non-disparagement, non-competition, non-solicitation, non-interference, and/or other restrictive covenant obligations contained in any written agreement between the Participant and the Company. In the event that Participant fails to comply with any of these obligations, the Participant's right to receive any additional Severance Package or CIC Severance Package payments or benefits shall cease immediately and Participant shall promptly refund any such payments or benefits previously paid by the Company. The Company's rights under this Section 7 shall be full recourse. The Company shall have the right to offset Participant's obligations under this Section 7 against any amounts otherwise owed to Participant from the Company or its affiliates.
8. **Accrued Obligations.** Notwithstanding anything to the contrary contained herein, a Participant shall be entitled to all Accrued Obligations as of his or her termination of employment, regardless of whether he or she is eligible for severance payments or benefits under this Plan. "Accrued Obligations" shall mean, for any Participant: (i) the portion of such Participant's Base Salary that has accrued prior to any termination of such Participant's employment with the Company and has not yet been paid; (ii) the portion of such Participant's prior-year annual bonus that has been earned prior to any termination of such Participant's employment with the Company and has not yet been paid; (iii) the amount of any expenses properly incurred by such Participant on behalf of the Company in accordance with Company policy prior to any such termination and not yet reimbursed; and (iv) the amount of such Participant's vacation time that has accrued prior to any such termination that has not yet been used. A Participant's entitlement to any other compensation or benefit under any plan of Company shall be governed by and determined in accordance with the terms of such plans, except as otherwise specified in this Plan.
9. **Non-Duplication of Benefits.** Nothing in this Plan will entitle any Participant to receive duplicate benefits in connection with any voluntary or involuntary termination of employment. A Participant's right to receive any payments under this Plan will be expressly conditioned upon such Participant not receiving severance payments or benefits under any other agreement, program or arrangement.
10. **Death.** If a Participant dies after the date Participant commences receiving benefits and payments under the Severance Package or the CIC Severance Package, as applicable, but before all such payments or benefits have been paid or provided, payments will be made to any beneficiary designated by Participant prior to or in connection with such Participant's termination or, if no such beneficiary has been designated, to Participant's estate.
11. **Withholding.** The Company may withhold from any payment or benefit under this Plan: (a) any federal, state, or local income or payroll taxes required by law to be withheld with respect to such payment; (b) such sum as the Company may reasonably estimate is necessary to

cover any taxes for which the Company may be liable and which may be assessed with regard to such payment; and (c) such other amounts as appropriately may be withheld under the Company's payroll policies and procedures from time to time in effect.

**12. Section 409A.** It is expected that the payments and benefits provided under this Plan will be exempt from the application of Section 409A of the Code, and the guidance issued thereunder ("Section 409A"). This Plan shall be interpreted consistent with this intent to the maximum extent permitted and generally, with the provisions of Section 409A. A termination of employment shall not be deemed to have occurred for purposes of any provision of this Plan providing for the payment of any amounts or benefits upon or following a termination of employment (which amounts or benefits constitute nonqualified deferred compensation within the meaning of Section 409A) unless such termination is also a "separation from service" within the meaning of Section 409A and, for purposes of any such provision of this Plan, references to a "termination," "termination of employment" or like terms shall mean "separation from service". Neither Participant nor the Company shall have the right to accelerate or defer the delivery of any payment or benefit except to the extent specifically permitted or required by Section 409A. Notwithstanding the foregoing, to the extent the severance payments or benefits under this Plan are subject to Section 409A, the following rules shall apply with respect to distribution of the payments and benefits, if any, to be provided to Participants under this Plan:

- (a) Each installment of the payments and benefits provided under this Plan will be treated as a separate "payment" for purposes of Section 409A. Whenever a payment under this Plan specifies a payment period with reference to a number of days (e.g., "payment shall be made within 10 days following the date of termination"), the actual date of payment within the specified period shall be in the Company's sole discretion. Notwithstanding any other provision of this Plan to the contrary, in no event shall any payment under this Plan that constitutes "non-qualified deferred compensation" for purposes of Section 409A be subject to transfer, offset, counterclaim or recoupment by any other amount unless otherwise permitted by Section 409A.
- (b) Notwithstanding any other payment provision herein to the contrary, if the Company or appropriately-related affiliates is publicly-traded and a Participant is deemed on the date of termination to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B) with respect to such entity, then each of the following shall apply:
  - (i) With regard to any payment that is considered "non-qualified deferred compensation" under Section 409A payable on account of a "separation from service," such payment shall be made on the date which is the earlier of (A) the day following the expiration of the six month period measured from the date of such "separation from service" of Participant, and (B) the date of Participant's death (the "Delay Period") to the extent required under Section 409A. Upon the expiration of the Delay Period, all payments delayed pursuant to this provision (whether otherwise payable in a single sum or in installments in the absence of such delay) shall be paid to or for Participant in a lump sum, and all remaining payments due under this Plan shall be paid or provided for in accordance with the normal payment dates specified herein; and
  - (ii) To the extent that any benefits to be provided during the Delay Period are considered "non-qualified deferred compensation" under Section 409A payable on account of a "separation from service," and such benefits are not otherwise exempt from Section 409A, Participant shall pay the cost of such benefits during the Delay Period, and the

Company shall reimburse Participant, to the extent that such costs would otherwise have been paid by the Company or to the extent that such benefits would otherwise have been provided by the Company at no cost to Participant, the Company's share of the cost of such benefits upon expiration of the Delay Period. Any remaining benefits shall be reimbursed or provided by the Company in accordance with the procedures specified in this Plan.

- (c) The Company makes no representations or warranties and shall have no liability to any Participant or any other person, other than with respect to payments made by the Company in violation of the provisions of this Plan, if any provisions of or payments under this Plan are determined to constitute deferred compensation subject to Section 409A of the Code but not to satisfy the conditions of that section.

### **13. Modified 280G Cutback.**

- (a) To the extent that any payment, benefit or distribution of any type to or for a Participant's benefit by the Company or any of its affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this Plan or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the "Total Payments") would be subject to the excise tax imposed under Section 4999 of the Code, then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code, but only if the Total Payments so reduced result in Participant receiving a net after tax amount that exceeds the net after tax amount Participant would receive if the Total Payments were not reduced and were instead subject to the excise tax imposed on excess parachute payments by Section 4999 of the Code. Unless Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. The preceding provisions of this Section shall take precedence over the provisions of any other plan, arrangement or agreement governing Participant's rights and entitlements to any benefits or compensation.
- (b) If the Total Payments to a Participant are reduced in accordance with Section 14(a), as a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial reduction under Section 14(a), it is possible that Total Payments to a Participant which will not have been made by the Company should have been made ("Underpayment") or that Total Payments to a Participant which were made should not have been made ("Overpayment"). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of such Participant. In the event of an Overpayment, then Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by such Participant to the date the same is repaid to the Company.

#### 14. Plan Administration.

- (a) Plan Administrator. The Plan Administrator shall be the Board or a committee thereof designated by the Board (the “Committee”); provided, however, that the Board or such Committee (as constituted prior to the closing of a Change in Control) may in its sole discretion appoint a new Plan Administrator to administer this Plan following a Change in Control, which such Plan Administrator shall not be removed or modified following a Change in Control other than at its own initiative. If such Plan Administrator designated by the Board or Committee prior to a Change in Control ceases to serve as Plan Administrator at any point after a Change in Control but prior to the later to occur of the first (1st) anniversary of the Change in Control or the final payment of benefits under this Plan to any Participant, then until the later to occur of the first (1st) anniversary of the Change in Control or the final payment of benefits under this Plan to any Participant, any such successor Plan Administrator appointed by the Board or the Committee shall be a qualified independent third party, such as a retired judge selected by the head of the American Arbitration Association in Manhattan, an independent compensation consultant or a law firm. The Plan Administrator shall also serve as the Named Fiduciary of this Plan under ERISA. The Plan Administrator shall be the “administrator” within the meaning of Section 3(16) of ERISA and shall have all the responsibilities and duties contained therein. Notwithstanding any provision of this Plan to the contrary, any employee(s) appointed to serve as Plan Administrator (whether individually or as members of a committee) shall serve as such only for so long as he or she is an employee of the Company and shall be deemed to resign his or her position effective as of his or her termination of employment (whether voluntary or involuntary). The Plan Administrator can be contacted at the following address:

Hyperfine, Inc.  
351 New Whitfield Street  
Guilford, CT 06437  
Attention: Chief People Officer  
administrator@hyperfine.io

- (b) Decisions, Powers and Duties. The general administration of this Plan and the responsibility for carrying out its provisions shall be vested in the Plan Administrator. The Plan Administrator shall have such powers and authority as are necessary to discharge such duties and responsibilities which also include, but are not limited to, interpretation and construction of this Plan, the determination of all questions of fact, including, without limit, eligibility, participation and benefits, the resolution of any ambiguities and all other related or incidental matters, and such duties and powers of the plan administration which are not assumed from time to time by any other appropriate entity, individual or institution. The Plan Administrator may determine from time to time, in its discretion, whether an employee of the Company who is not an Eligible Employee shall become a Participant in this Plan, provided the Plan Administrator delivers written notice to such employee that the employee will be a Participant in the Plan. The Plan Administrator may adopt rules and regulations of uniform applicability in its interpretation and implementation of this Plan. The Plan Administrator may delegate any of its duties hereunder to such person or persons from time to time as it may designate.
- (c) The Plan Administrator shall discharge its duties and responsibilities and exercise its powers and authority in its sole discretion and in accordance with the terms of the controlling legal documents and applicable law, and its actions and decisions that are not

arbitrary and capricious shall be binding on any employee, and employee's spouse or other dependent or beneficiary and any other interested parties whether or not in being or under a disability. The Plan Administrator is empowered, on behalf of this Plan, to engage accountants, legal counsel and such other personnel as it deems necessary or advisable to assist it in the performance of its duties under this Plan. The functions of any such persons engaged by the Plan Administrator shall be limited to the specified services and duties for which they are engaged, and such persons shall have no other duties, obligations or responsibilities under this Plan. Such persons shall exercise no discretionary authority or discretionary control respecting the management of this Plan.

- (d) The Company shall promptly reimburse the Plan Administrator or the Committee for any expenses incurred in good faith in the course of carrying out its obligations under this Plan, including, but not limited to, attorney's fees, claims, fines, judgments, taxes, causes of action or liability and amounts paid in settlement, actually and reasonably incurred by such Committee or Plan Administrator, unless such expense, claim, fine, judgment, taxes, cause of action, liability or amount arose from his or her negligence, fraud or willful breach of his or her fiduciary responsibilities under ERISA.

**15. Claims, Inquiries and Appeals.**

- (a) Applications for Benefits and Inquiries. Any application for benefits under or inquiries about this Plan or inquiries about present or future rights under this Plan must be submitted to the Plan Administrator in writing, as follows:

Plan Administrator  
Hyperfine, Inc.  
351 New Whitfield Street  
Guilford, CT 06437

- (b) Denial of Claims. In the event that any application for benefits is denied in whole or in part, the Plan Administrator must notify the applicant, in writing, of the denial of the application, and of the applicant's right to review the denial. The written notice of denial will be set forth in a manner designed to be understood by the applicant, and will include specific reasons for the denial, specific references to this Plan provision upon which the denial is based, a description of any information or material that the Plan Administrator needs to complete the review and an explanation of this Plan's review procedure. This written notice will be given to the applicant within 15 days after the Plan Administrator receives the application, unless special circumstances require an extension of time, in which case, the Plan Administrator has up to an additional 15 days for processing the application. If an extension of time for processing is required, written notice of the extension will be furnished to the applicant before the end of the initial 15-day period. This notice of extension will describe the special circumstances necessitating the additional time and the date by which the Plan Administrator is to render his or her decision on the application. If written notice of denial of the application for benefits is not furnished within the specified time, the application shall be deemed to be denied. The applicant will then be permitted to appeal the denial in accordance with the review procedure described below.
- (c) Request for a Review. Any person (or that person's authorized representative) for whom an application for benefits is denied, in whole or in part, may appeal the denial by submitting a request for a review to the Plan Administrator within 30 days after the

application is denied (or deemed denied). The Plan Administrator will give the applicant (or his or her representative) an opportunity to review pertinent documents in preparing a request for a review and submit written comments, documents, records and other information relating to the claim. A request for a review shall be in writing and shall be addressed to:

Plan Administrator  
Hyperfine, Inc.  
351 New Whitfield Street  
Guilford, CT 06437

A request for review must set forth all of the grounds on which it is based, all facts in support of the request and any other matters that the applicant feels are pertinent. The Plan Administrator may require the applicant to submit additional facts, documents or other material as he or she may find necessary or appropriate in making his or her review.

- (d) Decision on Review. The Plan Administrator will act on each request for review within 15 days after receipt of the request, unless special circumstances require an extension of time (not to exceed an additional 15 days), for processing the request for a review. If an extension for review is required, written notice of the extension will be furnished to the applicant within the initial 15-day period. The Plan Administrator will give prompt, written notice of his or her decision to the applicant. In the event that the Plan Administrator confirms the denial of the application for benefits in whole or in part, the notice will outline, in a manner calculated to be understood by the applicant, the specific Plan provisions upon which the decision is based.
- (e) Rules and Procedures. The Plan Administrator may establish rules and procedures, consistent with this Plan and with ERISA, as necessary and appropriate in carrying out his or her responsibilities in reviewing benefit claims. The Plan Administrator may require an applicant who wishes to submit additional information in connection with an appeal from the denial (or deemed denial) of benefits to do so at the applicant's own expense.
- (f) Exhaustion of Remedies. No legal action for benefits under this Plan may be brought until the claimant (i) has submitted a written application for benefits in accordance with the procedures described by Section 15(a) above, (ii) has been notified by the Plan Administrator that the application is denied (or the application is deemed denied due to the Plan Administrator's failure to act on it within the established time period), (iii) has filed a written request for a review of the application in accordance with the appeal procedure described in Section 15(c) above and (iv) has been notified in writing that the Plan Administrator has denied the appeal (or the appeal is deemed to be denied due to the Plan Administrator's failure to take any action on the claim within the time prescribed by Section 15(d) above).

- 16. Indemnification.** To the extent permitted by law, the Plan Administrator and all employees, officers, directors, agents and representatives of the Company shall be indemnified by the Company and held harmless against any claims and all associated expenses of defending against such claims, resulting from any action or conduct relating to the administration of this Plan, whether as a member of the Committee or otherwise, except to the extent that such claims arise from gross negligence, willful neglect, or willful misconduct. The Company shall advance all expenses for which a party is indemnified under this Section 16 to such indemnified party or shall arrange for direct payment of any such expenses by the Company.

- 17. Plan Not an Employment Contract.** This Plan is not a contract between the Company and any employee, nor is it a condition of employment of any employee. Nothing contained in this Plan gives, or is intended to give, any employee the right to be retained in the service of the Company, or to interfere with the right of the Company to discharge or terminate the employment of any employee at any time and for any reason. No employee shall have the right or claim to benefits beyond those expressly provided in this Plan, if any. All rights and claims are limited as set forth in this Plan.
- 18. Severability.** In case any one or more of the provisions of this Plan (or part thereof) shall be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions hereof, and this Plan shall be construed as if such invalid, illegal or unenforceable provisions (or part thereof) never had been contained herein.
- 19. Non Assignability.** No right or interest of any Participant in this Plan shall be assignable or transferable in whole or in part either directly or by operation of law or otherwise, including, but not limited to, execution, levy, garnishment, attachment, pledge or bankruptcy.
- 20. Integration With Other Pay or Benefits Requirements.** The severance payments and benefits provided for in this Plan are the maximum benefits that the Company will pay to Participants on a termination of employment, except to the extent otherwise required by applicable law. To the extent that any federal, state or local law, including, without limitation, so called "plant closing" laws, requires the Company to give advance notice or make a payment of any kind to an employee because of that employee's involuntary termination due to a layoff, reduction in force, plant or facility closing, sale of business, or similar event, the benefits provided under this Plan or the other arrangement shall either be reduced or eliminated to avoid any duplication of payment. The Company intends for the benefits provided under this Plan to partially or fully satisfy any and all statutory obligations that may arise out of an employee's involuntary termination for the foregoing reasons and the Company shall so construe and implement the terms of this Plan.
- 21. Amendment or Termination.** The Board may amend, modify, or terminate this Plan at any time in its sole discretion; provided, however, that: (a) any such amendment, modification or termination made prior to a Change in Control that adversely affects the rights of any Participant shall be approved by the Company's Board of Directors; (b) no such amendment, modification or termination may adversely affect the rights of a Participant then receiving payments or benefits under this Plan without the consent of such person; and (c) no such amendment, modification or termination made after a Change in Control shall be effective until after the later to occur of the first (1st) anniversary of the Change in Control or the final payment of benefits under this Plan to any Participant. The Board intends to review this Plan at least annually.
- 22. Source of Benefit.** The Company will pay benefits under the Plan from its general assets to the extent available. The benefits are not funded through a trust fund or insurance contracts. No employee shall have any right to, or interest in, any assets of the Company upon termination of employment or otherwise.
- 23. Statement of ERISA Rights.** Participants are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). ERISA provides that Participants are entitled to the following rights:

- (a) Receive Information About the Plan and Benefits. A Participant may examine, without charge, at the Plan Administrator's office all documents governing the Plan and, if applicable, a copy of the latest annual report (Form 5500) filed with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration. A Participant may also obtain copies of these documents upon written request to the Plan Administrator. There may be a reasonable charge for the cost of copying. A Participant is also entitled to receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each Participant with a copy of this summary annual report.
- (b) Prudent Actions by Plan Fiduciaries. In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries," have a duty to do so prudently and in the interest of the Plan's Participants and their beneficiaries. No one, including the Company, may fire a Participant or otherwise discriminate against a Participant in any way to prevent the Participant from obtaining a welfare benefit or exercising the Participant's rights under ERISA.
- (c) Enforce Participant Rights. If a Participant's claim for a welfare benefit is denied or ignored, in whole or in part, the Participant has the right to know the reason and to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain timeframes as set forth in this Plan. Under ERISA, there are steps a Participant can take to enforce the above rights. For instance, if a Participant requests a copy of Plan documents, or the latest annual report from the Plan and the Participant does not receive them within 30 days, the Participant may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials to the Participant and pay the Participant up to \$110 per day until the Participant receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If the Participant has a claim for benefits that is denied or ignored, in whole or in part, the Participant may file suit in federal or state court, provided the Participant has exhausted the Plan's administrative remedies (i.e. claims procedures). If it should happen that the Plan fiduciaries misuse the Plan's money, or if a Participant is discriminated against for asserting the Participant's rights under this Plan or under ERISA, the Participant may seek assistance from the U.S. Department of Labor, or may file suit in federal court. The court will decide who should pay court costs and legal fees. If a Participant is successful, the court may order the person that the Participant sued to pay these costs and fees. If a Participant loses, the court may order the Participant to pay these costs and fees if it finds the Participant's claim is frivolous.
- (d) Assistance With Questions. If a Participant has any questions about the Plan, the Participant should contact the Plan Administrator. If a Participant has questions about this statement or about the Participant's rights under ERISA, the Participant should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Participant Assistance and Communications, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. The Participant may obtain publications about the Participant's rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration. A Participant may also access the Employee Benefits Security Administration's website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa).
